

His story

"Next time somebody tells you that something is true, why not say to them: 'What kind of evidence is there for that?' And if they can't give you a good answer, I hope you'll think very carefully before you believe a word they say." - Richard Dawkins

I'm not qualified in theology, or have any formal biblical training. I read my Bible, carefully make notes, and compare scriptures. This is only my opinion so research this carefully for yourself. If I've made a mistake somewhere, please forgive me.
